www.hackthealps.it

PARTICIPANTS

Are you a passionate software developer and interested in having fun in the nature while working with like-minded people?

COMPANIES

Are you looking for highly skilled and motivated software developers? This is the right event to get in touch with bright minds.

LOCATION

Fly to the hackathon using a ropeway where Restaurant Kron spoils you with tasty food. Enjoy the night sleeping under the sky full of stars.

THE TEAM

The non profit organization HackTheAlps consists of a group of young and passionate software developers which organize this special hackathon in the hearth of the alps.
